

**UNITED STATES MARINE CORPS**  
 2D FORCE SERVICE SUPPORT GROUP (REIN)  
 FLEET MARINE FORCE, ATLANTIC  
 CAMP LEJEUNE, NORTH CAROLINA 28542-5701

IN REPLY REFER TO:

11000  
 42  
 12 Dec 1985

**From:** Commanding General  
**To:** Commanding General, Marine Corps Base, Camp Lejeune N.C.  
 (ATTN: Mr. Al Austin)  
**Subj:** R-2 SUBMISSIONS FOR FY-88  
**Ref:** (a) CG, MCB MSG 2721456Z Nov 85

1. In accordance with reference (a) the following is provided;

- ✓ A. Project: Prepare a running track in the French Creek area.  
Justification: To comply with the Commandants fitness program, increase the safety of troops, and prevent impeding the flow of traffic.
- ✓ B. Project: Pave the parking area adjacent to FC-320 and FC-312.  
Justification: To eliminate the safety hazard of mudholes and prevent a major resurfacing requirement in the future.
- C. Project: Install a heating system within the warehouse portion of Building 914.  
Justification: To provide for the comfort and welfare of troops.
- D. Project: Enlarge the parking lot, install lights and fencing for Building P-517, 8th MT Bn Combat Vehicle Shop.  
Justification: To accomodate the new LVS system of vehicles and to increase the safety and security of the area.
- E. Project: Construct a small and large vehicle drive up wash rack.  
Justification: To ensure proper cleaning and maintenance prior to induction into the maintenance system. Estimated cost 50K each.
- F. Project: Construct a High Boy Loading Ramp  
Justification: To eliminate the time-consuming and dangerous method of loading High-Boys with cranes. Estimated cost 150,000.
- G. Project: <sup>ADD PAVING & FENCING & LIGHTING</sup> Install outdoor lights around the exterior of Building 909.  
Justification: To enable performance of maintenance at night and to increase security of ~~ORE~~ lot. Estimated cost 80,000.
